

PHOTOGRAPHY CLUB

Mission – To promote interest and improve skills
in all phases of still photography.

Annual dues are \$20.00. Any student is eligible to join.

Meetings are scheduled for Thursday afternoons at 2:40 p.m. in room 510.

Any device with a camera will allow a student to participate, however to maximize their experience, students should obtain a digital camera with manual settings (look for these camera settings: P, A, Av, S, Tv, M – for more information speak with Mr. Ryals).

We also have a darkroom and work with film. Any film camera will allow a student to participate, however to maximize their experience, students should obtain a film camera with manual settings (for more information speak with Mr. Ryals).
